

DOHA FORUM 2025: COMMUNICATIONS TOOLKIT

ABOUT DOHA FORUM

Founded in 2000, Doha Forum is a leading global platform for dialogue, diplomacy, and diversity. Each year, it convenes world leaders, policymakers, experts, and changemakers to examine the most pressing geopolitical, economic & social challenges. Through high-level discussions, evidence-based research, and strategic partnerships, the Forum champions practical solutions that foster global stability, inclusion, and meaningful cooperation.

DOHA FORUM 2025

As the world confronts intersecting crises - from conflict and economic instability to deepening inequality & mounting pressure on essential systems - the need for fair, accountable, and collective governance has never been more urgent.

JUSTICE IN ACTION: BEYOND PROMISES TO PROGRESS

Under the theme “**Justice in Action: Beyond Promises to Progress**,” Doha Forum 2025 will examine how diplomacy, development, and humanitarian action can work in synergy to drive measurable and inclusive change.

Discussions will focus on advancing justice through inclusive governance, equitable development, and accountable international cooperation, with a strong emphasis on translating dialogue into tangible progress for communities around the world.
